

DMT-ER® PROFESSIONAL TRAINING PROGRAM - FINAL THESIS

The final thesis will be discussed after having satisfied all educational debts.

It is focused on a DMT application conducted by the candidate.

The following parameters will be evaluated:

- expertise on Dmt
- critical awareness of processes
- structural coherence
- in-depth analysis, documentation
- clear and appropriate language

The thesis must be endorsed by a certified DMT as tutor and sent thirty days in advance of the session date via e-mail to direzione@danzaterapia-esprel.it as follows:

- single PDF file, max 3Mb, A4 page format
- size: between 30 and 50 pages all inclusive
- line spacing 1.5 / 2, margins at least 2 cm, font corpus 12-14

A paper copy must be delivered to the School.

The session includes a brief presentation of the thesis core (5'-10') and a discussion starting from the Commission's questions. The presentation can be accompanied with a slideshow and/or a video (maximum 2'), which must be sent to direzione@danzaterapia-esprel.it at least one week in advance.

The thesis is given a score of 0-3, which will be added to the curricular average to reach the final grade, expressed in fiftieths.
